1. Read the passage given below and answer the following questions:

(5x2=10)

I am a letter. A letter written with a pen and paper by Reena to her friend Ahmed. I was put in a letter box. The postman took me out and put me in a big bag. Taking a ride on the postman's bicycle, I reached the post office. There I was taken out of the big bag and stamped hard. The stamp was of Agartala, from where my travel began.
